- help to those studying biomedical ethics.

Submitted to the journal "Bioethics" (hereinafter - the journal) manuscripts should meet the following requirements.

1. Text in Mitsrosoft Word (or RTF), 14th font, in half interval, footnotes, page-numbering footnotes sequentially, A4 paper, text on one side. Summary in English and Russian languages. The manuscript - no more than 30,000 diples.

The main goals and tasks of the copyright summary.

Copyright resume (AR) is a brief summary of a greater work of scientific character. Copyright resume can be published independently, apart from the main text and, consequently, should be comprehensible without reference to the publication itself.

Basic requirements:

- According to the AP article, the reader should understand the essence of the investigation.
- According to AP reader must decide whether to apply to the full text of this article for more details.
- AP article is a primary source of information in domestic and foreign information systems and databases, indexing the magazine.
- Word by word translation should not be done in English.

The structure the content and the scope of copyright summary:

AP should the essential facts of , the work and should not exceed or contain material that is not included in the main part of the work.

The text should contain AR syntax peculiar language of scientific and technical documents .

The text should apply AR meaningful words from the article.

AP text should be laconic and distinct , free of unimportant information , extra introductory words, common and insignificant statements.

References to the number of publication in the list of the work used are not made in the AP.

2 . The article should contain UDC , the title , the name and initials of the author (s) , scientific degree , position and work place (the name of the organization and department) , residency , e-mail in English and Russian .

3 . Then comes the abstract with keywords (keywords) in Russian and English. In the summary with the scope of about 10 lines , the subject of the article and the main results contained in it should be summarized.

4 . Bibliographic references in the text should be given in square brackets in accordance with the numeration in the bibliography.

5. References for the original article – should include no less than 5 and no more than 15 sources. References should be done in alphabetical order at first domestic and then foreign authors and it should be done in accordance with GOST 2008 7.0.5.

References are provided in two versions:

1) In accordance with GOST R 7.0.5 2008 (Russian version with foreign sources)

2) Option in Latin, repeating the list of references to a Russian-speaking part, regardless of whether or not there are from foreign sources in it (see table)

| Буква | Транслит | Буква | Транслит | Буква | Транслит | Буква | Транслит |

5. One copy of the article put in should be. One should add the text in electronic form on disk.

The authors from other cities may send their articles by e-mail (except Volgograd).

6. Postgraduates students do not pay for the publication of their manuscripts.

7. Double Blind Review

Both the reviewer and the author remain anonymous.

The articles are read in the editorial office of the journal (the type of the – double-blind peer review) According to this type the viewer and the author do not know each other's names which allows to avoid preconception on the part of the reviewer based, for example on the country he or she was born, or his previous work. The content of articles are considered on the basis of their content, not on the author's reputation. More details about this type of review can be obtained from the manual for reviewers Elsevier (<http://www.elsevier.com/reviewers/peer-review>). If the reviewer has questions the article can be returned for revision. The editors reserve the right to make editorial changes to the text, not distorting the meaning of the article.

8. The manuscript should be sent to the journal.

Address of the journal: 400131, Volgograd, Fallen Fighters Square, 1, office 4-11.

Tel.: 8 (8442) 385325, 385339, e-mail: biosoc2008@yandex.ru
